

REMARKS/ARGUMENTS

AMENDMENTS TO THE SPECIFICATION

The amendment to the specification is being submitted herein to update the title of the invention to correspond with the method claims of the present application. In this regard, it is noted that corresponding systems and computer program product claims are being pursued in a separate continuation application.

AMENDMENTS TO THE ABSTRACT

The amendments to the abstract are provided for purposes of providing clarity to the description for reasons analogous to that described above.

CONCLUSION

For all of the foregoing reasons, the applicants respectfully request that this amendment be entered. Please direct any questions or comments to the undersigned attorney.

Respectfully submitted,  
Stevens & Showalter, L.L.P.
